

REMARKS

In the Notice of Drawing Inconsistency with Specification mailed April 4, 2007, the Applicants have amended the Specification as requested by the Examiner.

It should be emphasized that these modification were done to expedite the prosecution of this case. Therefore, the Applicants reserve the right to proceed with any previously rejected claims. In fact, it should be noted that the Applicants maintain their previous arguments concerning the cited art and respectfully disagree with the Examiner's assertions thereof.

Applicant believes that all pending claims 1-3, 28-30, 32-35 and 37-56 are allowable and respectfully request a Notice of Allowance for this application from the Examiner. Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,
